Details for contact (email/fax/telephone)	

**2. Member contribution to the ICRI GM:** Your responses to the following questions will contribute to ongoing ICRI activities. Due to heavy schedules of ICRI members, we have tried to keep the questions to a minimum and value any response you can provide.

**Economic Valuation of coral reef ecosystems:**

- a. Do you have examples of where economic valuation of coral reefs is being applied in practice? (e.g. in consideration of coastal land use, coastal/marine spatial planning, for determining compensation);

Not yet, we have done counted coral reefs valuation in Belitung Islands, Seribu Islands, and Takabone rate Islands

- b. Do you have established methods for assessing these values? If so, please provide further information.

Not yet, we hope that ICRI can facilitate to standarized of coral reef valuation. We just done training on resource valuation for coral reef and mangrove in Wes Kalimantan Province

**Sustainable Tourism:**

- a. With respect to coral reefs, what does sustainable tourism mean to you?  
The resources sustain in good condition, communities in the location increase their income, tourist satisfy and happy, also tourist operator get benefit from their activity

- b. What are the key challenges you face to achieving sustainable tourism?

**A. Summary of IYOR 2008 Activities:**

- Please tell us, briefly, about your activities for IYOR.  
We have several meeting and several activities, and we will have occasion and presentation on October 2008 for IYOR 2008

**B. Emerging Issues**

- Please identify any emerging issues that you feel should be taken up by ICRI.

**C. ICRI and Other Meetings**

Are your ICRI Focal Points considering attending any of the following meetings in 2008?

- IUCN World Conservation Congress, Barcelona, October  
 Ramsar COP 9, South Korea, October/November
